Fair Use

- **Book:** Kenneth D. Crews' *Copyright Law for Librarians and Educators: Creative Strategies and Practical Solutions*, published by the American Library Association.
 - See Section Three, Fair Use. **We highly recommend this entire book**; it is a standard read for any copyright education program.
 - Check your library, your local public or academic library, or make an interlibrary loan request.
 - The edition currently available is the third; the fourth one will be published in November 2019.
- **Web site:** Fair Use Evaluator, <https://librarycopyright.net/resources/fairuse/index.php>
- **Codes of Best Practices in Fair Use:** <https://cmsimpact.org/codes-of-best-practices/>
There are sixteen different Codes, and many are useful for school and public librarians.
- **Law:** The Copyright Law of the United States, Title 17 of the U.S. Code.
See Chapter 1 (Subject Matter and Scope of Copyright), Section 107, Limitations on Exclusive Rights: Fair Use.
