

**Together, we've laid the foundation
for the new Alpine Public Library...
now help us raise the roof!**

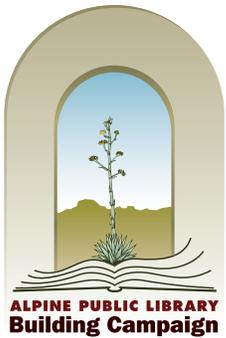

The Board of Directors of the Alpine Public Library is pleased to announce the completion of Phase I of a multiphase, multiyear project to construct a new library for the citizens of Brewster County. Crews have been hard at work at the corner of Avenue E and 13th Street, across from City Hall and the Post Office in Alpine.

But we need the continued support of the community. Our goal for Phase II of the project is \$165,000, and we are halfway there. Please consider a tax-deductible donation now.

Now is a good time to build, because we have more assistance from county crews and some of the costs associated with construction are falling. The longer it takes us to raise the rest of the money, the more expensive it may become.

Please fill out the form below and mail your contribution in the enclosed envelope. For those of you who have given in the past, we thank you. You've helped us get this far, but we need your help again.

- Join your friends and neighbors in shaping the future of Brewster County!
- We have the backing of Brewster County, the City of Alpine, the Alpine Independent School District, and hundreds of individual donors.
- Phase I is complete. The foundation is now in place. We are eager to begin Phase II, but we need your help.

YES! I want to help raise the roof of a new Library for Alpine and the Big Bend region!
